WEBINAR

ECOSYSTEM SERVICES & CONSERVATION IN EUROPEAN ISLANDS

HOSTED BY COST ACTION SMILES

MAY 22nd, 2025
10:30 – 12:15 (CEST)

ONLINE EVENT

Microsoft Teams

Meeting ID: 380 480 796 213 1

Passcode: Pn9Y9qZ2

AGENDA

10:30-10:40	Presentation of Cost Action SMILES and STSM
10:40-10:50	"The impact of tourism on local ecological knowledge enhancing ecosystem services" Katerina-Shelagh Boucoyannis
10:50-11:00	"Other effective area-based conservation measures in European islands and their contribution to ecosystem services" Joseph Tzanopoulos
11:00-11:10	"Natural capital data base of Greek islands" Fotios Xystrakis
11:10-11:20	"Integrating stakeholder knowledge through participatory processes into ecosystem services modeling: applications on local and island contexts" Roxanne Suzette Lorilla
11:20 - 11:30	"Ecosystem Services in the Atlantic Islands National Maritime-Terrestrial Park of Galicia (NW, Spain)." Mario García Ontiyuelo
11:30 - 11:40	"Perceptions of European island stakeholders on land use and climate changes" Aristides Moustakas
11:40 - 11:50	"Assessing Ecosystem Services of Vegetation Surrounding Island Transport Infrastructures: Identifying Critical Sections for Preservation and Safety" Gabriel Eduardo Suárez Fernández
11:50 - 12:00	"Ecosystem Services in the Atlantic Islands" Xana Álvarez Bermúdez
12:00 - 12:15	"Estimating Bioclimatic velocity effect on tree species in targeted small-medium European island mountains" Savvas Zotos
12:15 - 12:30	Final Questions and Comments
